Orlando Health Imaging Center

Orlando Health TOD Office Project

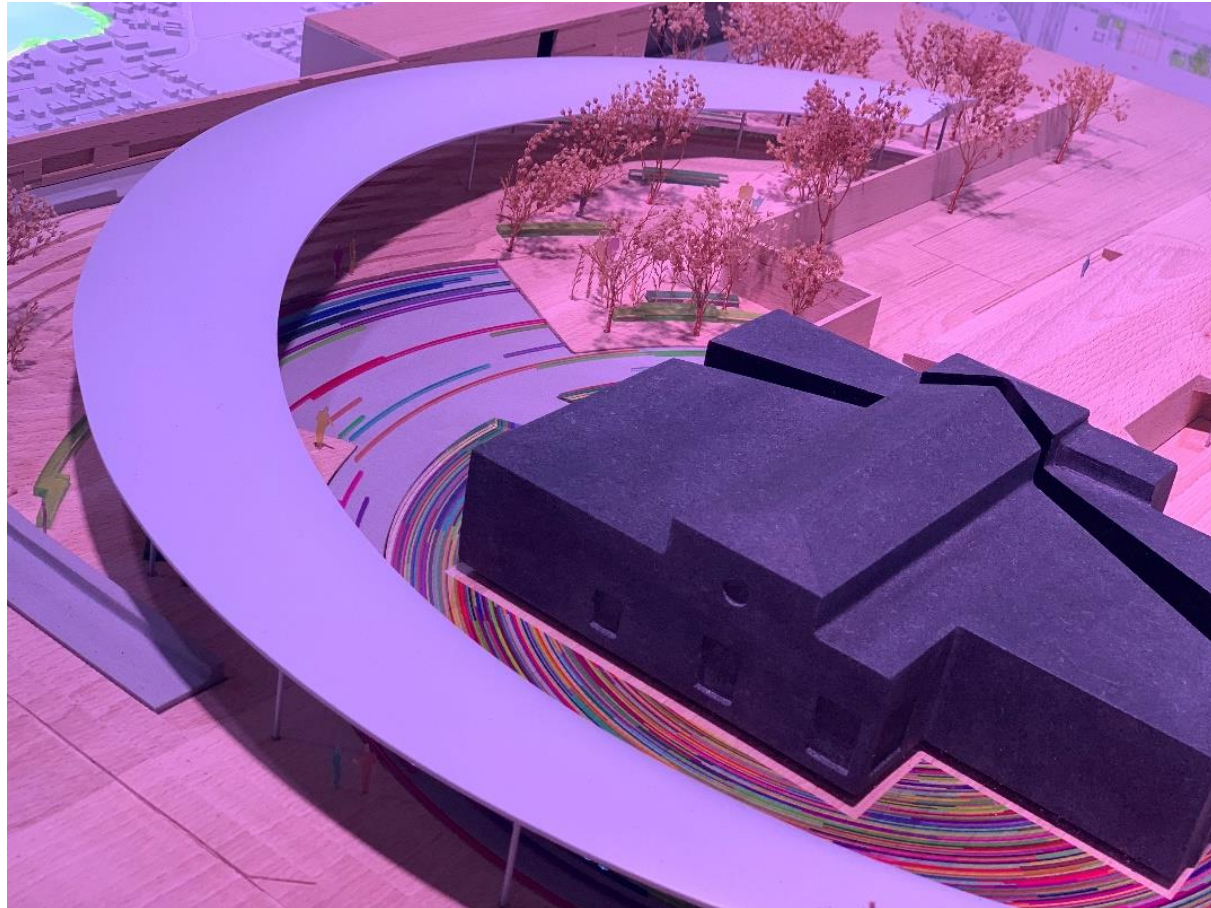

Orlando Health Jewett Orthopedic Hospital

PULSE National Memorial and Museum

Estimated cost \$50 million+

Investments, Partnerships & Funding

- For every \$1 in NID funding, an additional \$15.00+ of matching funds have been secured:
- Orlando Health
- City of Orlando
- MetroPlan
- Orange County
- FDOT

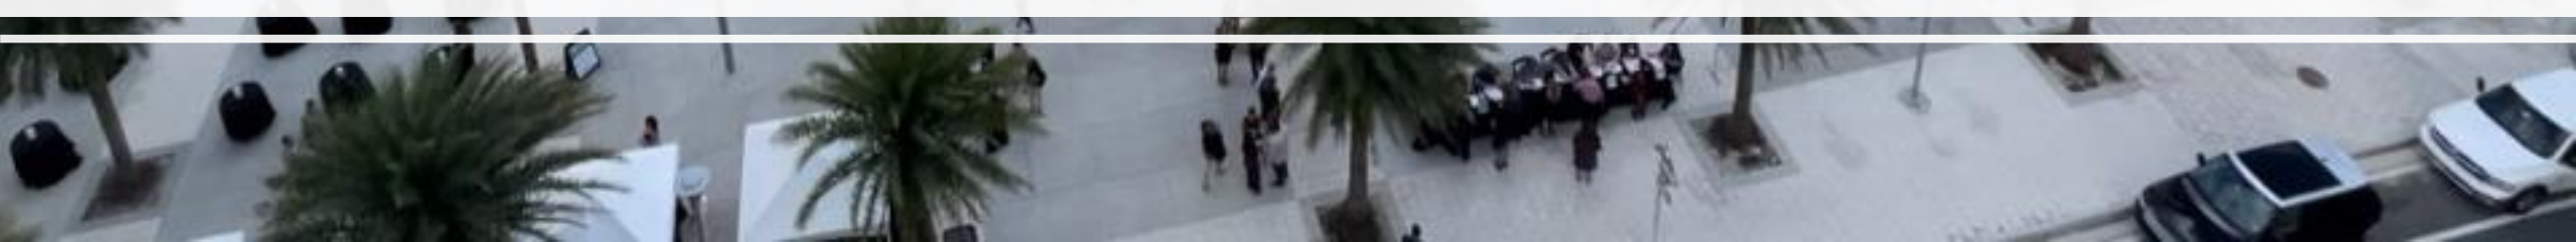

Investments, Partnerships & Funding

- Orlando Health is the largest funding partner:
 - \$175,000 annual payment in lieu of property taxes for the life of the NID which is codified in the Pilot Agreement.
- The NID generated approximately \$600,000 per year.
- All taxable properties, residential and non-residential, pay 1 mill on their tax bill per parcel.
- There are over 1,239 parcels within the NID boundaries.
