

FOUNDATIONS *of Leadership*

FOUNDATIONS OF LEADERSHIP is the optimal system for helping managers get more done with less, improve the engagement and motivation of their people, handle increased task loads more effectively with less stress, and get better results. ADEPT Leadership takes good managers and gives them the tools, processes, and practice they need to become great leaders who are ready to assume responsibility and maintain momentum.

INTENSIVE, IMMERSIVE TRAINING

Delivered through the Virtual Conference Center, participants and ADEPT Leadership facilitators meet for bi-weekly 2-1/2 to 3 hour sessions that provide condensed, well-paced, live interaction. Integrated audio and web cam video allows for dynamic group discussion and workshop time. Groups are limited to 14 participants to insure effective participation and opportunities for dialogue and feedback. Customized discussion plans and individual support helps participants focus on the concepts and processes that are most beneficial to them.

FOUNDATIONS of Leadership

WHAT MAKES THIS PROCESS UNIQUE?

Performance Intervals

Learning about managerial ideas without application is a waste of time and energy. This system allows you to engage in sessions over time with application intervals in between. Not only do you retain the ideas better, but you customize the application of those ideas directly on the job to improve performance.

Comprehensive Material

You'll receive all the materials you need to fully engage in this process including:

- The ADEPT Leadership Workbook
- Multiple leadership assessments
- Personality profile to apply to various topics
- A note taking portfolio
- Audio recordings of the material
- Access to a personal online file server to track your work
- Bi-weekly coach meetings
- Email access to your facilitator to answer any questions that you have

Action Assignments

Practical action assignments are completed and posted on our exclusive ADEPT web portal so they can be reviewed and evaluated by the facilitator and individual feedback can be provided.

Mentor Involvement

The participants' supervisor is asked to meet with the participant regularly to monitor progress and reduce obstacles to them staying engaged. We provide an opening orientation and bi-weekly guides to help mentors stay on track with what participants are doing.
