

# Get your Company Name out there!

## And let us do the legwork!

**Be among the first to get your name in front of ABC's new members by signing up for the New Member "Tool Box"**

ABC's Business Development Committee has devised another way for you to introduce your company or just get your company name in front of our new members.

Each month, our Membership Director, Cheryl Bovio, prepares a **Welcome to ABC Toolbox** filled with members' promotional items and handouts, along with a benefit package, and membership directory to the new members who have joined in the last 30 days!

Here is your chance to join the 2008 Welcome Tool Box and be a part of each new member orientation. Just complete the form below and fax to Cheryl Bovio to become a part of this special program for new members.

We expect to see over 100 new general contractor, subcontractor, supplier, and associate companies joining ABC this year! There is a low maintenance fee of \$100 per year (this pays for the purchase of the tool boxes) which amounts to about \$1 per contact.
