Trestles' Frontline Supervisor Training Program ("FLS" Training Program) is designed to enhance the knowledge and skills of your construction field personnel which directly manage craft employees. We strongly encourage participation from support groups with roles such as:

- Future Leaders
- Frontline Supervisors
- Field Engineers
- Project Control Managers
- Project Engineers
- Superintendents
- Project Managers
- Construction Managers

The FLS Training Program consists of 4-modules ...all of which align with and fully support the industry's best practices. Each of the modules is delivered within 4-hours and all of the modules are best received over a 2-day period, although special coordinating is available if necessary.

This training program focuses on:

- Short Interval Scheduling
- Work Packaging
- Labor Cost Management
- Constraint Removal
- Process Thinking
- Lean Implementation
- Continuous Improvement
- Effective Leadership

MEET THE INSTRUCTOR

KEN MCKENZIE, DIRECTOR OF TALENT DEVELOPMENT SERVICES

Ken is a NCCER Certified Master Trainer and has over 30 years of construction experience as a craft foreman, superintendent, project manager and Director of Corporate Training. Ken spent most his career designing and delivering best in class training for ENR top 100 companies.

Ken has successfully trained hundreds of project managers, project engineers, and frontline supervisors in Work Package Management, Last Planner® pull-planning, and effective leadership. Ken is very skilled at the transfer of knowledge to construction field personnel with all levels of experience. Because of Ken's 1st hand field experience, he quickly gains the trust and respect of his participants.
