# READING BODY LANGUAGE

Having the ability to read body language can go a long way in helping you throughout life. You can learn to understand the cues, or signs, that people show when they tell a lie, or when they are unsure of themselves. Knowing what to look for and how to use this information can be extremely helpful both personally and in your career.

In this 90-minute course you will learn:

- How to read body language
- Different emotions
- Facial expressions
- Voice tones & sounds
- Eye movements
- Postures & gestures
- Head movements
- Appearance
