- How to manage yesterday's peers
- How to deal with problems
- How to get RESULTS THROUGH other people
- How to deal with special situations

Hands-on and specific to construction!

Who Should Attend?

- First time foremen
- Crew leaders
- Candidates for supervisory positions

INSTRUCTOR: Mr. Robert E. Winterhalter (Bob) has over thirty years of involvement in the Electrical Construction Industry, at all levels of engagement. Bob has thirteen years of large commercial field experience as apprentice, electrician, statewide service technician, and superintendent, and seventeen years' office experience as a Project Manager and Estimator. Additionally, he has held a teaching certificate from Orange County Public Schools to instruct electrical apprentices in the areas of electrical theory and code and installation practices.
